ACHIEVEMENTS			
Strataverse National-Level Competition View Certificate	Secured 2nd place in Strataverse (SSCBS, DU), evaluating a fintech startup’s ₹1,200 Cr valuation through financial analysis and investment recommendation		2026
SELECTED PROJECTS			
C.N.V.R.T Entrepreneurial Strategy & Business Model (IIM-B PROJECT) LINK	- Led a 6-member team in conceptualizing a sustainable fashion startup, conducting customer research and market analysis to identify opportunities within India's growing conscious-consumer segment. - Executed primary research (90+ surveys, 12 interviews) and translated findings into product positioning, pricing strategy, and customer acquisition recommendations. - Built venture economics including pricing, margins, break-even analysis, and growth projections, supporting an investor-facing startup funding proposal.		2026
SMASHIT Experience-Driven Vegetarian QSR Concept (IIM-B PROJECT) LINK	- Independently conceptualized and developed a premium vegetarian smash-burger venture, identifying a market gap between traditional QSR chains and premium dine-in experiences. - Built market sizing, revenue projections, validation framework, and go-to-market strategy, estimating ₹2.43 Cr annual revenue potential for a flagship Delhi NCR outlet. - Designed a differentiated brand and customer acquisition model combining scarcity marketing, creator-led growth, loyalty programs, and community-driven engagement.		2026
CarbonKey Blockchain-Based Carbon Credit Platform (IIM-B Capstone) LINK	- Researched transparency, verification, and accessibility challenges in voluntary carbon markets, identifying key adoption barriers for SMEs and startups. - Conceptualized a blockchain-enabled carbon credit tokenization platform and translated market insights into features such as reserve tracking and trust-verification systems. - Designed, coded, and deployed an interactive website using HTML, CSS, JavaScript, and GitHub Pages, simplifying complex sustainability concepts through user-centric design.		2026
The Outreach Project Client Acquisition & Revenue (IIM-B PROJECT)	- Designed zero-cost acquisition strategy; achieved 100% conversion (3/3 clients) generating ₹3,000 in 4 hours - Built repeatable offline sales framework demonstrating rapid execution and high-conversion targeting		
SME Operations Paper Recycling Business (IIM-B PROJECT) Link	- Field analysis of recycling SME (25–40 workers); identified 46–48°C heat stress as key productivity bottleneck - Designed 4 low-cost interventions (insulation, shift optimisation, hydration, water reuse) aligned with ESG goals		2025
WORK EXPERIENCE			
Business Operations Family Business	- Managed order flow, vendor coordination, and client servicing; improved workflow visibility and execution consistency - Supported financial analysis and demand assessment for operational decision-making		Ongoing
Web Development Academic & Freelance	Built 20+ responsive websites; translated business requirements into functional UI aligned with brand positioning		2025
Content Research Intern Social Media Newsroom	Delivered real-time trend analysis across Instagram and X, improving content relevance and publishing speed		2025
